The EABA conference in Würzburg

The 9th EABA conference was in Würzburg in September 2018. Previous conferences have been in Parma, Gdansk, Milan, Madrid, Crete, Lisbon, Stockholm, and Sicily.

The conference in Würzburg had 250 attendees from over 20 different countries. At the conference we had 118 presentations and 26 posters. The EABA board want to thank the local hosts who made this conference possible.

Following you can see some impressions of the conference.

Info about the summer school

EABA held its first biannual Summer School in Crete in 2015 and the second in Cadiz in 2017. Third summer school will be held in Latvia on August 4th – 10th. Information about the summer school:

New EABA web page is under construction

The EABA board decided last year to make some substantial changes to the website. First of all, to make the website more user-friendly but also to make it easier to administer. The new website will include some new options and will hopefully be ready by the quartile of 2019.

EABA conference in 2020

Last year, the EABA board received a couple applications for the next EABA conference. On the basis of the criteria for hosting such an event, Tampere in Finland was the winner. The conference will be held at Tampere University, September 9th – 12th, 2020.

Election

The chair of the EABA Election Committee is pleased to announce the upcoming elections for the position of Treasurer and Secretary of our organization. We are seeking nominations for the position. Current Treasurer, Hanna Steinunn SteingrÍmsdóttir, is eligible for re-election to this office as she has only served one term. EABA members in good standing are invited to submit nominations for these positions by May 20th, 2019, at 24.00GMT. Please find more information at:
